

## Department 20 – Social Affairs

As part of the general gradual opening of the District Office, it is now possible to visit the Social Affairs Department in person after making an appointment in advance. To avoid infection, appointments in the District Office must be limited to situations where digital, telephone or written communication is not possible.

Please discuss your request and the need for a personal meeting with your respective clerk via telephone or e-mail.

If you do not have a specific contact person in the Social Affairs Department, please use the following contact options for your concerns:

Telephone: 07071/207-2002

Fax: 07071/207-2099
